**Status of Compliance of MSW Rules 2000 in UP**

**(In the compliance of order passed by NGT in application no.-199/2014  
Almitra H.Patel Vs Union of India and others. )**

There are 630 urban local bodies (Nagar Nigam-13, Nagar Palika Parishad-196, Nagar Panchayat-421) are identified in State of UP. Out of 13 Nagar Nigam, 8 Nagar Nigams namely Kanpur, Agra, Lucknow, Moradabad, Aligarh, Varanasi, Allahabad and Bareilly have been installed MSW treatment and disposal facilities (MSWTSDF). Nagar Nigam Bareilly MSW facility is presently closed in compliance of Hon'ble National Green Tribunal Order. While 01 MSW treatment and disposal facility is under development at Nagar Nigam Jhansi. Remaining 04 Nagar Nigams namely Ghaziabad, Meerut, Gorakhpur and Saharanpur, development of MSW treatment disposal facilities yet to be done. Further more 08 MSW treatment and disposal facilities are installed and operational at different Nagar Palika Parishad ie Muzaffarnagar, Mainpuri, Etawah, Raebareli, Barabanki, Fatehpur, Kannauj and Mathura. Again development of 02 MSW treatment and disposal facilities is under progress at Nagar Palika Parishad Sambhal and Mirzapur. Municipal Solid Waste generation is about 19180 TPD in state of UP out of which about 5197 TPD MSW is processed/treated (Approx. 27%). These figures clearly reflect that MSW Rules are not enforced and the local bodies are non-compliant. Majority of the local bodies have not approached SPCB for seeking authorization under MSW Rules. Also, local bodies are not submitting Annual Reports to SPCB and this is the main cause, that SPCB is not able to adhere with time schedule given in the Rule for submitting Annual Report.
